

# levy fact

**Q. What is the link?**

A. For the past 21 years, we have been one of the few, if not the only, high school in the state with an outdoor hallway. When we constructed and opened Centennial Middle School in 1998, the high school expanded its footprint into the old middle school building on the high school site (the current East Building). In the past five months, there have been 23 school shootings in the U.S. which has made this solution no longer acceptable. Passing the levy will enable us to join the two buildings.
